August 2010

Dear Evans Elementary Teachers and Staff,

As we gain momentum for the 2010-11 school year, the Evans Home & School Association has mapped out an event schedule that promises to be fun for everyone. We are excited to have a wide variety of activities planned throughout the school year. And we invite you to join us for all of these events.

As you know, the students and families of Evans Elementary are always thrilled to see our school's teachers and staff outside the traditional classroom setting. We would like you to consider helping out at some of the Evans H&SA functions. These events generate enthusiasm and a sense of school community at Evans while helping the Evans Elementary H&SA raise the funds needed to support numerous activities and projects at Evans Elementary.

In addition to seasonal events at the school, here is a list of functions where your participation will enhance our ability to reach out to the students and families of Evans Elementary:

September 24 th	Back to School Ice Cream Social (6:30 – 8 pm)
October 22 nd	Dance-a-Thon & Fall Pumpkin Fest (6:30 – 8:30 pm)
December 27 th	Family Ice Skating @ Oaks Center Ice (12:15 – 1:45 pm)
