## 2008 FALL PROGRAMS

### Notes from the Parks & Recreation Department...

As the summer winds down, school begins and our full-time recreation program season year wraps up, we are excited about the progress of the Parks & Recreation department over the past year. Our department had a successful summer with our Concert Series in the Park which were attended by many, along with our Camp Shamrock and Lil' Shamrock Summer Camps.

LTP&R is looking forward to our 2008 fall program season and your participation in a variety of well-planned programs, trips and events for all ages. Do you have a new program idea or know someone who is a great instructor and has an interesting talent to share with others in a program setting? If the answer is YES, please e-mail me at [khegedus@limerickpa.org](mailto:khegedus@limerickpa.org) for a program proposal form. We would be happy to explore the possibility of new programs such as art, fitness, nature informative workshops, etc.

The Parks Crew is hard at work preparing all the parks for fall and winter. Reminder: All bathrooms, ball fields, pavilions and the concession stand will be closed on November 1st.

LTP&R is committed to providing the personal, economic, social and environmental benefits of parks and recreation! LTP&R is here to assist you with making the best use of our services, programs and facilities. Please let us know how we can help.

Sincerely,

*Karen M. Hegedus*

Parks & Recreation Coordinator
